

RESIDENTIAL SERVICE WARRANTY

Thank you for your recent business. We appreciate it and offer you the following warranties on products purchased from us.

100% Satisfaction

If you are not satisfied with your finished product after 90 days, we will repair, replace or exchange it for another product. We want you to be happy.

One Year Full Warranty

If we installed the product and you have any product failure or installation problem, we will come to your home and repair or replace the defective product at no charge to you, not even a charge for installation. After one year, we will only charge you a trip charge or you may bring your product to our showroom for repairs.

Manufacturer's Warranty Service

We will provide you with the manufacturer's warranty, usually a LIFETIME LIMITED WARRANTY, and will process, return to the manufacturer, pay the freight, and expedite the process of having your product repaired or replaced as covered in the manufacturer's warranties.

Thank you for purchasing from Custom Expressions. Please tell your friends and neighbors about us, and let us assure you of many years of satisfaction with your quality custom window covering products.
